### Environmental Policy

Our goal is to protect and sustain our environment by complying with all environmental laws and regulations, controlling environmental impacts, reducing their effects, and continuously improving our environmental performance. By fostering this awareness, we aim to leave a clean and livable environment for future generations.

- ✓ Ensuring continuous improvement and development by complying with all legal environmental requirements and customer demands.
- ✓ Considering environmental impacts in office investments.
- ✓ Minimizing all our waste, preventing pollution at its source, maximizing recycling whenever possible, and disposing of non-recyclable waste in an environmentally friendly manner to reduce our environmental footprint.
- ✓ Raising awareness among our employees, suppliers, and subcontractors through environmental training.
- ✓ Continuously improving our environmental management system to enhance our environmental performance.
- ✓ Committing to periodically reviewing our objectives and targets to achieve these goals.
